

SIT 01/8/19

In attendance: Irvin, Thrasher, Tucker, Hite, Burnett, Jensen, Pitrolo, Spencer, Nelya, Fox, Brookshire

Mrs. Jensen presented Parent/Teacher form that can be used in preparing for and scheduling a parent conference.

Peer Tutoring -- departmental plans for implementation second semester will be introduced to teachers.

Math tutoring offered already and discussed by Mrs. Burnett as to implementation for other departments to model or use as an example.

2nd semester changes:

Bus announcements would probably be disruptive so not implemented at this time.

Quiet room/space for quiet work and study will be the strings room during SMART Lunch.

Attendance calls – 3<sup>rd</sup> day call will be generated automatically, and contact will be made through school messenger. Overall concern making sure teachers are making regular contacts with home since 3<sup>rd</sup> absence call is no longer the teacher's responsibility.

Middle School recruitment nights will involve teacher presentations that include their classroom experiences in learning at NDA.
